LUNCH HOURS DEMONSTRATIONS AT GATE NO.-1
on 26th July, 2016 at 1330 IST

Dear friends,

We are very much thankful to all the employees of the department who shown unity & strength and participated in the General Body Meeting held on 15.07.2016. G.B. Meeting was a grand success. As discussed in the meeting, a Joint Memorandum (JM) has been submitted to the department as well as to the Ministry and requested for grant of meeting on the points mentioned in joint Memorandum. JM date i.e.25.07.2016 has been passed but we have not received any communication from administration. Neither Department nor our Ministry is taking seriously to our legitimate & genuine demands.

This is the right time to show our unity and pressurize for the implementation of genuine demands. Govt. of India has provided a legal forum for every department to sort out the problems & differences between the employer and employees which is not in operation in IMD since long back. **The administration of the department is playing the game of Divide and Rule. Unless we show our unity & Strength to the administration we cannot get the legal forum for discussion and participation in the running of administration.**

Therefore, it is requested to all the employees of the department to show our strength & Unity by reaching at Gate No.1 on 26.07.2016 at 1330 IST and make a grand success of **DEMONSTRATION** So that we could decide our future course of action for the implementation of Cadre-restructuring of Group "B" scientific officials and the recommendations of R. R. Mali Committee report related to restructuring of MTS, Met. Observer, Staff Car Driver, Mechanic (Ind. & N/Ind.) & Administrative Cadres.
