Sub:- Progress on OTA case and MTS restructuring proposal-reg

This Union would like to update to all its members that NGSU has initiated the followings process with respect to all the cadres.

1. In-spite of continuous appeal form the union the administration is still searching ways and methods to avoid the operational nature of duties in IMD for the SA, LA's and MTS staff. Hence this union is supporting the MTS from Bangalore to approach CAT Bangalore for enhancement of the OTA rate on. The draft preparation is under progress and it will be uploaded in the NGSU web site www.ngsu.in
2. This union has submitted the MTS proposal for MTS (Technical) and MTS (Non-Technical). We are also pursuing this case. Any suggestions and modifications are welcome.
