**Subject: Making the membership drives for joining the Unions/
Associations online – Reg.**

(Vice-President)

Sir,

Sarjeet Singh
(Asst. General Secretary)
(General)

It is to bring to your kind notice that during the process of renewal of recognition of the Unions/Associations, a lot of time has to be devoted to find out the number of members in various Unions/Associations, the subscription for which is deducted through check-of-system as per DoP&T guidelines. This process generally takes 8-10 months to compile the complete information as the data is to be collected from all the sub-offices. Further, it will not be out of context to mention that during last membership drive, a few discrepancies were also observed and the same have already been brought to your notice vide this office union letter dated 24.7.2017.

Sumer Budhiraja
(Asst. General Secretary)
(Organisation)

Ravinder Kumar
(Treasurer)

To overcome the above mentioned manual discrepancies, and also to save considerable amount of time, it is a humble suggestion that this whole system of membership drive may be made online. This may be achieved by making provision in the 'metnet' itself. An option may be given to all the IMD employees once in a year, say in the month of April as per the usual practice, to enroll to become a new member/ alter the union/ withdrawal of membership from any union.

This system will not only bring transparency in the whole system of membership drive but will also help in finding out the total number of membership of any union at any point of time.

Thanking you,

Vandana
(Lady Representative)
