Sub: Withdrawal and rescind of circular of issuing TREND forecast by S.A.

Ref : DGM UOI NO. T-809(B) / dt. 05/07/2013

Sir,

I, the undersigned, would like to draw your kind attention that impropriety and discrimination have been perpetuated by coercing the Scientific Assistant to issue TREND forecast vide circular under reference, which is not at all part of the job of SA. Issuing all kinds of forecasts is totally prerogative of Class A officer and in any circumstances officers, who have been bestowed with the generous blessings of this Office, with the implementation of FCS at the drop of a hat, must shoulder this responsibility instead of passing it to lower cadre.

The propensity of the office not to concede to any legitimate and indisputable demand of class B and C cadres may have a cascading affect amongst staff members. we stridently oppose the aforesaid circular and its genre that tend to transgress RR guidelines, reiterating that the same be withdrawn immediately.

Thanking You.
