Respected Sir,

Sub: Denial of promotions due to Trainings -reg

Raju Bhargav  
(Vice-President)

We are very grateful to you and would like to express our sincere thanks to you on behalf of the Group B staff of IMD for releasing the promotion list dated 29.12.2015.

I also would like to bring some discrepancies observed in the list to your kind notice and probable solution.

Gautam Roychoudhury  
(Asst. General Secretary)

1. The SA's who were in the seniority list and have attended the intermediate training, written their exam but the results were not declared are not considered for the promotion.
2. The SA's who are in the seniority list but could not complete the training are also not considered.

A. S. Tripathi  
(Asst. General Secretary)

In view of the above we would like to put forward our request your good self to kind consideration.

Rupesh Pandita  
(Treasurer)

- The trainings were conducted at NIMT Pune and a specified number of seats were allocated to each RMC. The allocated seats are very few which could not accommodate all the employees.
- After the recruitment of SA's in the year 2013, a new 6 months training programme was introduced. To train maximum number of new recruits before the postings the other trainings were discontinued for some time.

Rohatas  
(CEC Member)

In view of the above reasons many of the staff in the seniority list could not opt and complete their trainings.

T. K. Mandal  
(CEC Member)

Hence denying promotions for such staff is denying of natural justice. Therefore this union would like to request you to kindly consider these names for promotion, permitting them to complete the training prerequisite within some time frame. And for those who have written the exam but the results are pending, their names may kindly be considered subjected to successful completion within a time frame. We also request that these staff members should be promoted with retrospective date of effect from 29.12.2015.

Vijay Pal  
(CEC Member)

This would boost the morale of the stagnated staff. Anticipating a positive response at the earliest.

Thanking you,

Yours Sincerely,
