The Director General of Meteorology,
India Meteorological Department,
Ministry of Earth Sciences,
Lodi Road New Delhi 110003.

Subject : Demand for promotion and intimation of agitation -
"Mission Promotion".

Sir,

The representatives of all the unions/associations of IMD has devised a common minimum programme to demand the promotional avenues and intimation of agitation being planned by the umbrella association of all associations as we have exhausted all the channels of pleading and persuasion for promotion of the Group-C and Group-B cadres in IMD. All our prayers and requests for promotions have fallen on deaf ears. The administration is indulging in an unabated hegemony of Group-A Officers by allowing them to occupy higher administrative posts, without consulting the representatives of associations of the plight of the Group-C and Group-B cadres, as evident for decades of deprivation and exploitation of these cadres being stuck at the same cadre for years without promotion.

In view of your indifference and lackadaisical attitude towards the plight of the Group-C and Group-B cadres in your department a meeting among the office bearers of unions/associations of IMD was held at 3 pm. on 09.03.2022. It was envisaged in the meeting to unanimously pursue the following points :-

A. Demands before the IMD, MoES administration

It was decided to solely focus on release of promotion list of **all** the Group-C and Group-B cadres and place the following demands:

- (1) Immediate release of all promotion lists of all the Group-C and Group-B cadres by any means,
- (2) Nothing less than promotion list is acceptable,
- (3) Any ad hoc list is not acceptable.

B. Ultimatum before resorting to agitation

In case the IMD/MoES administration fails to release promotion lists of **all** the Group-C and Group-B cadres, **by 20.03.2022**, the members of **all the Service Associations/unions will resort to indefinite non-cooperation and peaceful agitation/demonstration till all** such promotion lists are released.

It seems that the IMD/MoES administration which has no intention to do any good to the Group-C and Group-B cadres, chalked out a plan for agitation activities **from 21.03.2022 to 31.03.2022** as below:-

21.03.2022 and 22.03.2022:

Lunch hour demonstration at the IMD and MoES gate at HQ

23.03.2022:

Full Day Demonstration at the HQ of IMD and at all the RMCs, MCs and sub-offices.

24.03.2022 and 25.03.2022:

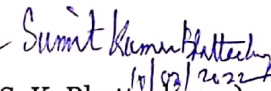

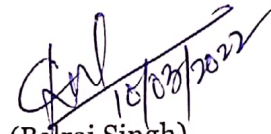

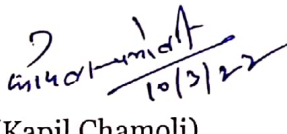

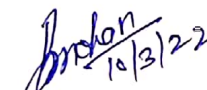

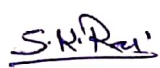

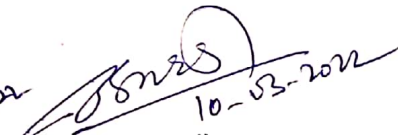

Lunch hour demonstration at the IMD and MoES gate at HQ. **Making Human Chain** along the boundary of Mausam Bhawan Complex and Prithvi Bhawan.

28.03.2022 to 31.03.2022:

Day & Night (24-hour) Relay HUNGER STRIKE at the Gate of Mausam Bhawan.

(Members from all regional offices will be invited to join the same.)

The onus of this agitational programme is completely on the shoulders of IMD/MoES administration which failed to bring out the promotion lists of Group-C and Group-B cadres. If the demand of releasing promotion list will not be met by the stipulated date, **it will be presumed that IMD/MoES administration accepting to bear the consequences and accept the whole responsibility of the unrest/loss of vital weather data,** whatsoever, that would arise out of "**Mission Promotion**" programme of these service associations.

 (Ram Hari Sharma) General Secretary, GOA	 (S. K. Bhattacharya) General Secretary, MASOA	 (Balraj Singh) General Secretary, for AOA	 (Kapil Chamoli) General Secretary,, NGSU
 (Brij Mohan) General Secretary, NGSSA	 (Santosh Kumar Rai) General Secretary, NGASA	 (Dheeraj Pandey) General Secretary, Workshop Union	 (S. S. Negi) General Secretary, Group C & MTS Association
