On behalf of Non-Gazetted staff union, I would like to extend a hearty welcome to you as the head of this department. We are confident that under your able leadership all our grievances will be addressed and a congenial progressive path will take birth for all cadres. We also look forward to excel under your able guidance. We will be extremely delighted if you include us as a part in the professional growth story of IMD considering our financial and carrier prospects too.

This union humbly requests you to go through the written requests submitted to IMD administration for last couple of years. In spite of a continuous effort from our end we have hardly received any reply or commitment. We were forced to express our anguish and unhappiness for the stagnation and lack of progress.

Though the ministry had issued all required approvals still all our grievances were sidelined, kept pending deliberately. Being optimistic we feel, every problem has solutions, but we are unable to understand the deadlock and as to why our issues are not getting resolved?

We once again request your good self to kindly go through the correspondence made earlier and request that our letters may kindly be replied/addressed.

We once again request you to create a contributory atmosphere of growth and prosperity to all cadres. A progressive and rewarding carrier path will boost the morale and employees will be more than willing to perform with their best of abilities.

I also take this opportunity to mention that a member from the union may kindly be included while correcting and framing guidelines in all issues related to staff.

Anticipating a positive response at the earliest.

Thanking you,

Yours faithfully
Astribathi
(A S Tripathi)
General Secretary
