To,

The Director General of Meteorology,  
Mausam Bhawan, New Delhi.

Respected Sir,

Sub: Retention of earlier nomenclature of Gr B Gaz and Non-Gazetted post -reg

In continuation to the meeting held with DGM, IMD on 24.12.2015 and vide above stated references this union would like to bring the following few facts to your kind notice with regard to change in nomenclature of Gr. B Gazetted and Non-Gazetted post and subsequent delay in the amendment/formatoin of recruitment rules after the restructuring was approved vide Order No. MoES/25/11/2010-Estt dated 16.12.2014.

1. During the meeting held on 24.12.2014, Dr. L S Rathore, DGM IMD had categorically assured that the Group B officers and staff won't be demoralized by down grading the nomenclature from Assistant Meteorologist Gr-II and Gr-I to Scientific Assistant A, B and C.
2. The officers and staff are agitated and aggrieved over the feeling that the nomenclature is likely to be Scientific Assistant A, B and C. If the nomenclature is changed, staff and officers may feel downgraded and may have to choose the path of agitation. Therefore it is requested to retain the present nomenclature.
3. In fact the restructuring has only opened the promotional aspect from Group B to Group A for only a few employees, and if nomenclature is changed rest employees who will not be benefited from the restructuring will feel downgraded .

Therefore this union humbly requests you to retain the earlier nomenclature.

Thanking You

Yours sincerely

(V. P. Kaushik)
